

MOTION BY SUPERVISOR DON KNABE

September 14, 2004

The College Bound Organization, a non-profit public academic program, will be holding its annual Walk-a-thon and College Fair at Cerritos Regional Park on October 23, 2004. The organization will be using the park as a starting place for the walk-a-thon and will also have representatives from various colleges, universities and alumni associations on hand to provide information about their institution. The proceeds from this event will be used for low-income, high risk students, and will provide academic programs and services that prepare students for admission into and graduation from institutions of higher education.

I, THEREFORE, MOVE THAT the Board of Supervisors waive park fees in the amount of \$1,750, excluding the cost of liability insurance.
